Dear Sirs

Patents Act 1977: Search Report under Section 17(5)

I enclose two copies of my search report and a copy of the citations.

Plurality of invention

I consider that your application relates to more than one invention. However I have not listed the multitude of inventions disclosed in this application for the following reasons:-

- 1) prima facie the application does not comply with Section 14(5)(b) & (d), and
- 2) detailed lists have been set out in similar copending applications.

Publication

I estimate that, provided you have met all formal requirements, preparations for publication of your application will be completed soon after **21 November 2000**. You will then receive a letter informing you of completion and telling you the publication number and date of publication.

Amendment/withdrawal

If you wish to file amended claims for inclusion with the published application, or to withdraw the application to prevent publication, you must do so before the preparations for publication are completed. **No reminder will be issued.** If you write to the Office less than 3 weeks before the above completion date, please mark your letter prominently: **"URGENT - PUBLICATION IMMINENT"**.

†Use of E-mail: Please note that e-mail should be used for correspondence only.
